About the Leap

This is an opportunity to join Flipkart's **Supply Chain arm** as an **Assistant Manager (NEEV)**, overseeing crucial operations across various locations and business units like Fulfillment Centers, City Logistics, and Grocery. You will directly contribute to Flipkart's strategic goals by ensuring the efficiency, reliability, and cost-effectiveness of its vast supply chain network, thereby impacting core business performance.

You'll be responsible for

Supervising and monitoring specific day-to-day supply chain functions from start to finish.

Leading and managing both full-time employees and contract workforces within your area of operations.

Working closely with Planning, Finance, HRBP, and Facilities teams to ensure all requirements are met.

Ensuring key metrics and targets are met sustainably, innovating for speed/quality/cost using lean methodology, and partnering in process mapping and network optimization.

These things will set you up for success

Strong Communication Skills

Excellent oral and written communication to effectively lead teams and collaborate with various stakeholders.

Operational Agility & Integrity

High mobility, strong integrity, and agility to adapt to dynamic supply chain environments and rotational shifts.

Analytical & Reporting Aptitude

Ability to develop and report KPIs, provide executive updates, and perform Root Cause Analysis (RCAs).

Proficiency in Productivity Tools

Strong working knowledge of MS Office or Google Suite; knowledge of Lean/6 Sigma or Transport Management Systems is a plus.

Compensation

The stipend for internship is 50k per month

The CTC for the full time-role is 14.53 LPA

(This includes components such as the base pay, variable pay, ESOPs, and other benefits)

Hiring Process

Screening

Your profile will be evaluated for technical & functional capabilities, relevant experience, and fitment for the role.

Online Assessment

Assessment can be in the form of a test (tech/non-tech), group discussion, case study, problem-solving approach or other relevant methods to assess your technical/functional skills

Interviews

Typically 2–3 interview rounds in which we assess your engineering/functional skills, domain expertise, and alignment with future fit and learning interest.

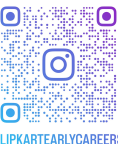

Offer Roll-out/LOI

Final selects will receive a letter of intent from Flipkart, and subsequently the offer letter.

Every Flipster is a Maximiser - Curious, Audacious, Entrepreneurial, Purpose-Driven, Excited By Big Challenges, A Team Player and Inclusive. If this is who you are, then Flipkart is the place where you can thrive.
